Workflow

The image depicts a sophisticated control room or data center. In the foreground, several operators are seated at desks, each equipped with multiple computer monitors. They are actively engaged in monitoring and managing data. The background is dominated by a large, curved wall of displays that present a variety of information, including real-time maps, line graphs, bar charts, and data tables. The overall atmosphere is professional and high-tech, with a focus on data-driven decision-making. The large white text 'Workflow' is superimposed over the top center of the image, indicating the theme of the visual.
